Crew Tips

Guests must bring alcoholic beverages with them.

Because alcohol is not sold on the yacht.

## **DAILY TOUR PRORAM:**

- 1-) Kumluk bay or Red bay: Our captain will choose the most suitable bay according to the direction the wind blows.
- 2-) Poyraz Aquarium: It is a beautiful Turquoise Bay where you can see the bottom of the sea at a depth of 20 meters. You can see wild boars searching for food on the beach. Throw a piece of bread into the sea from the boat, then watch the fish fight.
- 3-) Rabbit Bay: Let yourself go in the sea! The sea is clean, refreshing and has a big beach.

Timetable - Morning program

- \*For daily tour check-in starts from 9:30am-10:00am between
- \*For daily check-out is until 16:00 pm

## **SUNSET TUR PROGRAM:**

Departure time usually varies according to sunset

- 1-) Small aquarium or Sunset bay: You can see many types of fish while swimming in the aquarium. then you will have a nice dinner
- 2-)Sunset: After watching that famous Bodrum sunset, you return to the Bodrum with music

Other conditions

If the tour is not possible because of severe weather conditions you will be offered an alternative day.

Safe and Clean

We promise to comply with the safety and hygiene measures ordered by the local authorities and to follow all the necessary rules for the prevention of coronavirus.
